

GENERAL INFORMATION

Welcome! Soon you'll be making a decision that is much more than choosing a room...You're considering an unforgettable, all-inclusive stay in our "casita" resort residences as well as experiencing the most-complete, respected fitness and activities program in the destination spa world.

We base our rates on our most popular one-week packages, Saturday to Saturday (7 nights/8 days). Price is PER PERSON. **Never a service charge.** All stays are all-inclusive with the exception of personal spa services, cooking classes, and some "personal training" fitness sessions. These are a la carte.

SAVINGS on many packages are available—15% or more in some cases and/or seasons! SEE OUR WEBSITE (rancholapuerta.com) under "Reservations/Special Offers" for current and seasonal special rates once you've picked your target dates of arrival. Or call! We can guide you through the options. Prices are in U.S. Dollars. Rates do not include Mexican tax, which is 8.14% additional (subject to change).
